

The Gate City Bar Association, founded in 1948, is Georgia's oldest legal bar organization founded by African American attorneys. Now in its ninth year, the gala brings individuals from all sectors of the legal, business, government and educational arenas to fellowship and celebrate those individuals who have sacrificed to make a difference for the entire community. This gala also serves as the annual fundraiser which provides scholarships for young men and women in Georgia who desire to pursue a degree in the legal field.
